

## Increase Your Chances of Getting Web Design Work by 20% or More... \*\*FREE WEBINAR\*\*

On average, you write detailed quotations or price proposals for 90% of proposed web design projects for your firm. Even for current clients. Wouldn't you love to win more of those proposals?

With so much detail work, you need to create a proposal that is as persuasive as possible. In this **FREE** webinar, *Increase Your Chances of Getting Web Design Work by 20% or More...*, you'll discover how to grab your audience's attention by improving a few key elements in your proposal templates. You'll learn the 5 simple keys to creating a proposal that wins the work.

See what a previous participant, Shawn Chadha, owner of Shawn Web Design, had to say:

*I've been in the design business for 15 years and quoted hundreds of projects. Yet, I learned strategies in this webinar that are bound to increase my success rate considerably.*

As a trusted training and coaching firm, Mindwalk Business Coaching helps web design firms like yours grow their businesses in the areas of marketing, sales, pricing, and operations. We know these proposal templates will save you time and increase your success rate.

Still hesitant?

Participants will also receive an example of an actual winning proposal that uses strategies taught in the webinar.

But, you have to **RSVP** quickly! This **FREE** webinar is limited to just 9 participants!
